

Earth Purification Detox Retreat

Detoxification is about balance. It is the process of taking time to rebalance your body's energy by removing harmful toxins that have accumulated over time. Detoxification does not mean deprivation and you do not have to go to extremes to punish your body in the process of reacquiring a healthy balance.

The Earth Purification Detox Retreat is a balanced approach to restoration. It is a balance of healthy nutrition and healthy activity. SpaIV provides you with cuisine featuring our vegetables, fruits, natural juices and low fat dishes combined with a series of daily exercise, a daily spa treatment and relaxation.
