Detox Retreat

A rewarding life...

Detoxification is about balance. It is the process of taking time to rebalance your body's energy by removing harmful toxins that have accumulated over time. Detoxification does not mean deprivation and you do not have to go to extremes to punish your body in the process of reacquiring a healthy balance.

The Aleenta Detox Retreat is a balanced approach to restoration. It combines healthy nutrition and tailored Spa treatments with activity and relaxation. Aleenta provides you with balanced cuisine featuring our own organic vegetables, fruits, natural juices, and low fat dishes. The Aleenta Detox Retreat is an opportunity to rebalance and to give your own personal needs a chance to catch up with the demands put on you by everyday life.
