

IN VILLA BBQ

Dine poolside under the stars in the comfort of your own villa. Candles glow like stars in the garden and float in the pool whilst soft music plays in the background for this special evening of food and wine under the Thai sky. The table and scene is set by your private pool, while your own waiter and one of our talented chefs prepares and serves a sumptuous BBQ. Dietary requirements can be catered for at any level. Please contact our Guest Service team for bookings.
