SPA & WELLNESS MENU

AYURAH HOLISTIC WELLNESS SUSTAINABLE PATH TO HAPPINESS

YOGA

Stretch your body and mind with our Specialized Yoga Masters. Enjoy a relaxing and rejuvenating Yoga session in our Yoga wellness center. Our instructors will lead you through a yoga class that is tailored to your own ability and needs. You will be guided through a series of breathing techniques, gentle stretching and bending postures, all performed slowly and consciously with a focus on your inner awareness.

HATHA YOGA

In a Hatha class, traditional asana and breathing exercises are practiced in a gentle flow. The emphasis is on working deeper into the asana at your own ability through the principals of alignment, awareness and breath. Poses are sequenced to open the body in a safe and progressive way.

AYURAH YOGA

Ayurah Yoga and Meditation are very powerful developed by our Yoga Master to help people gain and maintain higher levels of being and awareness, as well as healing their body mind and spirit. This Meditation combines breathing, movement, stretching, meditation and relaxation techniques in sequence, rhythm and sound to work on every aspect of your being.

TAI CHI

Tai Chi is a form of exercise that originated in China centuries ago (as a martial art)

PILATES

Exercise that focuses on the connection between mind, body, and spirit through the use of proper breathing to control the body muscles, improving strength and flexibility. Concentration and mental calmness can be increased by practicing controlled breathing, including the management of the spine. This helps in the development of personality, relieves pain, and reduces stress.

PERSONAL TRAINING

You'll learn techniques for staying motivated and inspired, and your personal trainer will work with you, cheering you on, keeping you up when you're feeling down and giving loads of advice on nutrition, diet and more.

CARDIO WORKOUT

Cardio is one of the most important things you can do for your body, whether you want to lose weight, burn fat or improve your health. Our fitness Center is quipped with state of the art Cardio and strength equipment.

MUAT THAI

Improve your health and become physically fit by joining Muay Thai training programs. This is the best way to build a stronger body and gain confidence with stronger and more defined arms, stomach and legs. It also helps to gain a sense of inner strength and emotional balance.

STRETCHING

Stretching exercises help to increase your flexibility and freedom of movement.
